**Call (626) 576-9584 or (626) 458-2723**

## Cal State LA selected as 1 of county Vote Centers for 2020 primary election

Cal State LA has been selected to serve as a Los Angeles County Vote Center in California's March 3 Presidential Primary Election.

No matter where they live, voters in Los Angeles County will be able to cast their ballots for an extended voting period at any of the new Vote Centers located across the county instead of at a single designated polling place on Election Day.

The Cal State LA Vote Center will be open Saturday, Feb. 29, through Election Day on Tuesday, March 3.

The center is located in University Library, Palmer Wing, Room 4049. Hours of operation, parking information, and other details can be found on the Cal State LA Vote Center webpage.

Los Angeles County is also introducing new voting technology that will allow residents to vote using accessible devices that combine touch-screen tablets with paper ballots.

The devices include features that help make voting accessible to everyone, allowing voters to choose from multiple languages, change text size and color contrast, and use an audio headset.

The Los Angeles County Registrar-Recorder/County Clerk chose Cal State LA as a Vote Center after holding dozens of community meetings and gathering input from hundreds of residents across the region.

Daylight Saving Time returns **at 2 a.m. Sunday, March 8.** Remember to **move clocks forward one hour.**
