# Operations and Supply Chain Management Option

*Important Pre-requisite classes MGMT 3060, 3070 and 3080*

Take MGMT 3060 and MGMT 3070 as soon as possible in your 5th semester

*Don't wait to start your option classes*

Begin your required and elective option classes as soon as pre-requisites are met and work them in with your business core (this contradicts the catalog which lists MGMT courses last in the list of core courses)
