About CITI

The Collaborative Institutional Training Initiative (CITI Program) at the University of Miami is a leading provider of research education content. Their web-based training materials serve millions of learners at academic institutions, government agencies, and commercial organizations in the U.S. and around the world. CITI Program was established in 2000 to provide training content in areas such as: Animal Care and Use (ACU), Biosafety and Biosecurity (BSS), Export Control (EC), Good Clinical Practice (GCP), Human Subjects Research (HSR), Information Privacy and Security (IPS), and Responsible Conduct of Research (RCR) including the Conflicts of Interest (COI) course.

This presentation is intended to provide helpful information which will allow you to register for CITI training with ease as a member of the Cal State LA research communities and ethics communities.

Upon completion, a transcript is sent to you. You may need this transcript later for classes, research, grant applications, etc., so please make sure to save it.
