

Instructional Technology Program

Technology is a powerful tool for engagement, one that continues to help shape the future of education. The Charter College of Education at Cal State LA is committed to equipping trainers, teachers, educational leaders, and other professionals with the concepts and applications to impact the 21st-century learning setting, while enhancing creative critical thinking. We offer the following:

- **M.A. in Educational Technology Leadership***
- **M.A. in E-Learning & New Media Design****
- **Certificate in Online Teaching and Learning****
- **Certificate in Computer Applications in Schools***

**Hybrid program – part online, part on campus; ** Online program*
