FINDING PRE-CLASS QUALITY RESOURCES: OPEN EDUCATIONAL RESOURCES

CETL TECH PROGRAM

Faculty teaching flipped, hybrid, or online courses are encouraged to become a CETL Technology Enhanced Certificate Holder (TECH). By completing 6 of our workshops—3 core and 3 elective— you will earn this designation. CETL TECHs receive access to our Moodle template to help structure their course.

Watch for our weekly **This Week at the CETL** email.

Getting Started with Moodle

In this introductory workshop, you will learn ten steps to help get you started using Moodle. **Upcoming Dates: 7/6, 3:00pm, 7/19, 12:15pm**

Core. Duration - 1 hr 15 min

Online Activities and Assignments

Learn how to incorporate additional Moodle activities into your course, such as Moodle Assignment, Glossary, Choice, and Feedback. **Upcoming Dates: 7/18, 3:00pm**

Core. Duration - 1 hr

Leveraging Multimedia

Come learn how you can embed videos into your course from YouTube, Merlot or our own Library database. **Upcoming Dates: 7/11, 3:00pm, 7/26, 10:00am**

Elective. Duration - 1 hr

Ensuring Academic Integrity

Learn how to use Turnitin inside Moodle and how it fits within a proactive strategy that can help to ensure academic integrity. **Upcoming Dates: 8/2, 10:00am**

Elective. Duration - 1 hr

LIVE! with Your Students Online

In this workshop you will learn how to utilize online chat rooms and an online meeting room (via Zoom) to supplement your course. **Upcoming Dates: 7/20, 12:15pm**

Elective. Duration - 1 hr

Moodle Gradebook

In this workshop, we will cover how to organize your gradebook with categories, and the ideal aggregation types to use in the Moodle gradebook. **Upcoming Dates: 7/25, 3:00 pm**

Core. Duration - 1 hr 15 min

Flip a Lecture *(Recommended)*

In this workshop, we will cover the basics so that you can flip a lecture. The workshop includes how to use Camtasia to create lecture content for your students as well as flipping best practices. **Upcoming Dates: 7/13, 3:00pm, 8/3, 12:15pm**
Elective. Duration - 1 hr 15 min

Moodle Quiz Building

This workshop will teach you how to correctly format your quiz files and import the quiz to your Moodle course. **Upcoming Dates: 7/12, 10:00am, 7/28, 12:15pm**

Elective. Duration - 1 hr

Peer Instruction

Are you interested in incorporating clickers in your classroom? This workshop will discuss how to incorporate peer instruction with clickers to engage your students. **Upcoming Dates: Fall Semester**

Elective. Duration - 1 hr 15 min

ACTIVE LEARNING WORKSHOP

CETL CENTER FOR EFFECTIVE TEACHING & LEARNING

Actively learn about active learning.

This two-day workshop is held in one of the new T-FLeC-spaces.

Workshop topics include:

- Opportunities afforded by active learning classrooms
- Tips for successful active learning activity planning
- An introduction to a myriad of small student group activities
- High and low-tech active learning tools

To apply for this workshop, please watch for call for participants emails from CETL this Fall.
