

Subject: Apply Now for Fall 2016 Cal State LA Scholarship Opportunities!

Dear Cal State LA Student,

Cal State LA has over 400 scholarship opportunities to support your educational goals. You can browse the diversity of scholarships available on our [Cal State LA Scholarships Application site](#). The scholarships are made available through the generosity of our University donors, alumni, and friends. And remember, these scholarship opportunities are in addition to the various federal, state, and outside agency financial aid programs!

When do I apply and what is the deadline?

- You can begin applying on **April 29, 2016**.
- All steps below except the submission of the letter of reference must be completed no later than **May 31, 2016**.
- The person submitting your letter of reference must do so no later than **June 7, 2016**.

Apply Once!

We have simplified the process for you to be considered for these various Cal State LA scholarship opportunities. Simply follow the steps below and you will be automatically matched to the scholarships for which you meet the minimum qualifications. Final selection will then be made based on a ranking of the applicants based by the appropriate scholarship committee

Am I eligible to apply?

You are eligible to apply if you are a current Cal State LA student enrolled for the Spring 2016 quarter and will be enrolling this Fall 2016 semester to continue your degree, credential, or certificate program.

How do I apply?

1. Click the "Sign In" button at the top of the [Cal State LA Scholarships Application site](#) and provide your MyCSULA credentials (Campus Identification Number (CIN) and campus password).
2. Complete the general questions provided. Be aware that information from your academic record has already been made available to the application so you don't have to self-report information we already have on record.
3. Prepare and upload a personal statement to support your application.
4. Contact a faculty member, advisor or other academic reference who will be willing to provide a letter of reference for you. You will need to include their name and email address in the application so they can provide their letter of support online.
